

Guidelines for BCD The Big Ones

- Each rotation (from acting out the scenario, to debriefing the scenario/policies) should last no more than 35 minutes! There will be 5 mins traveling time in between each group.
- Two people** from each of the groups that come through your scenario need to fill out an incident report. By the end of the day, every RA should have filled out at least one incident report.
- You need to debrief the situation each time a new group comes through the scenario.
 - Walk through what should be on the incident report.
 - Discuss how the acting RAs responded to the situation:
 - What did they do correctly?
 - What should they have done differently?
 - Discuss any applicable policies that may need clarification.
 - Ask if there are any questions.
